

What is EMLex?

Lexicography

You will be an expert in the compilation, analysis, and organization of dictionaries, wielding a profound understanding of linguistic principles and the nuances of language.

Interdisciplinary

You will learn tools like corpora and concordancers for language analysis, with applications in electronic dictionary design and machine learning.

Erasmus Label

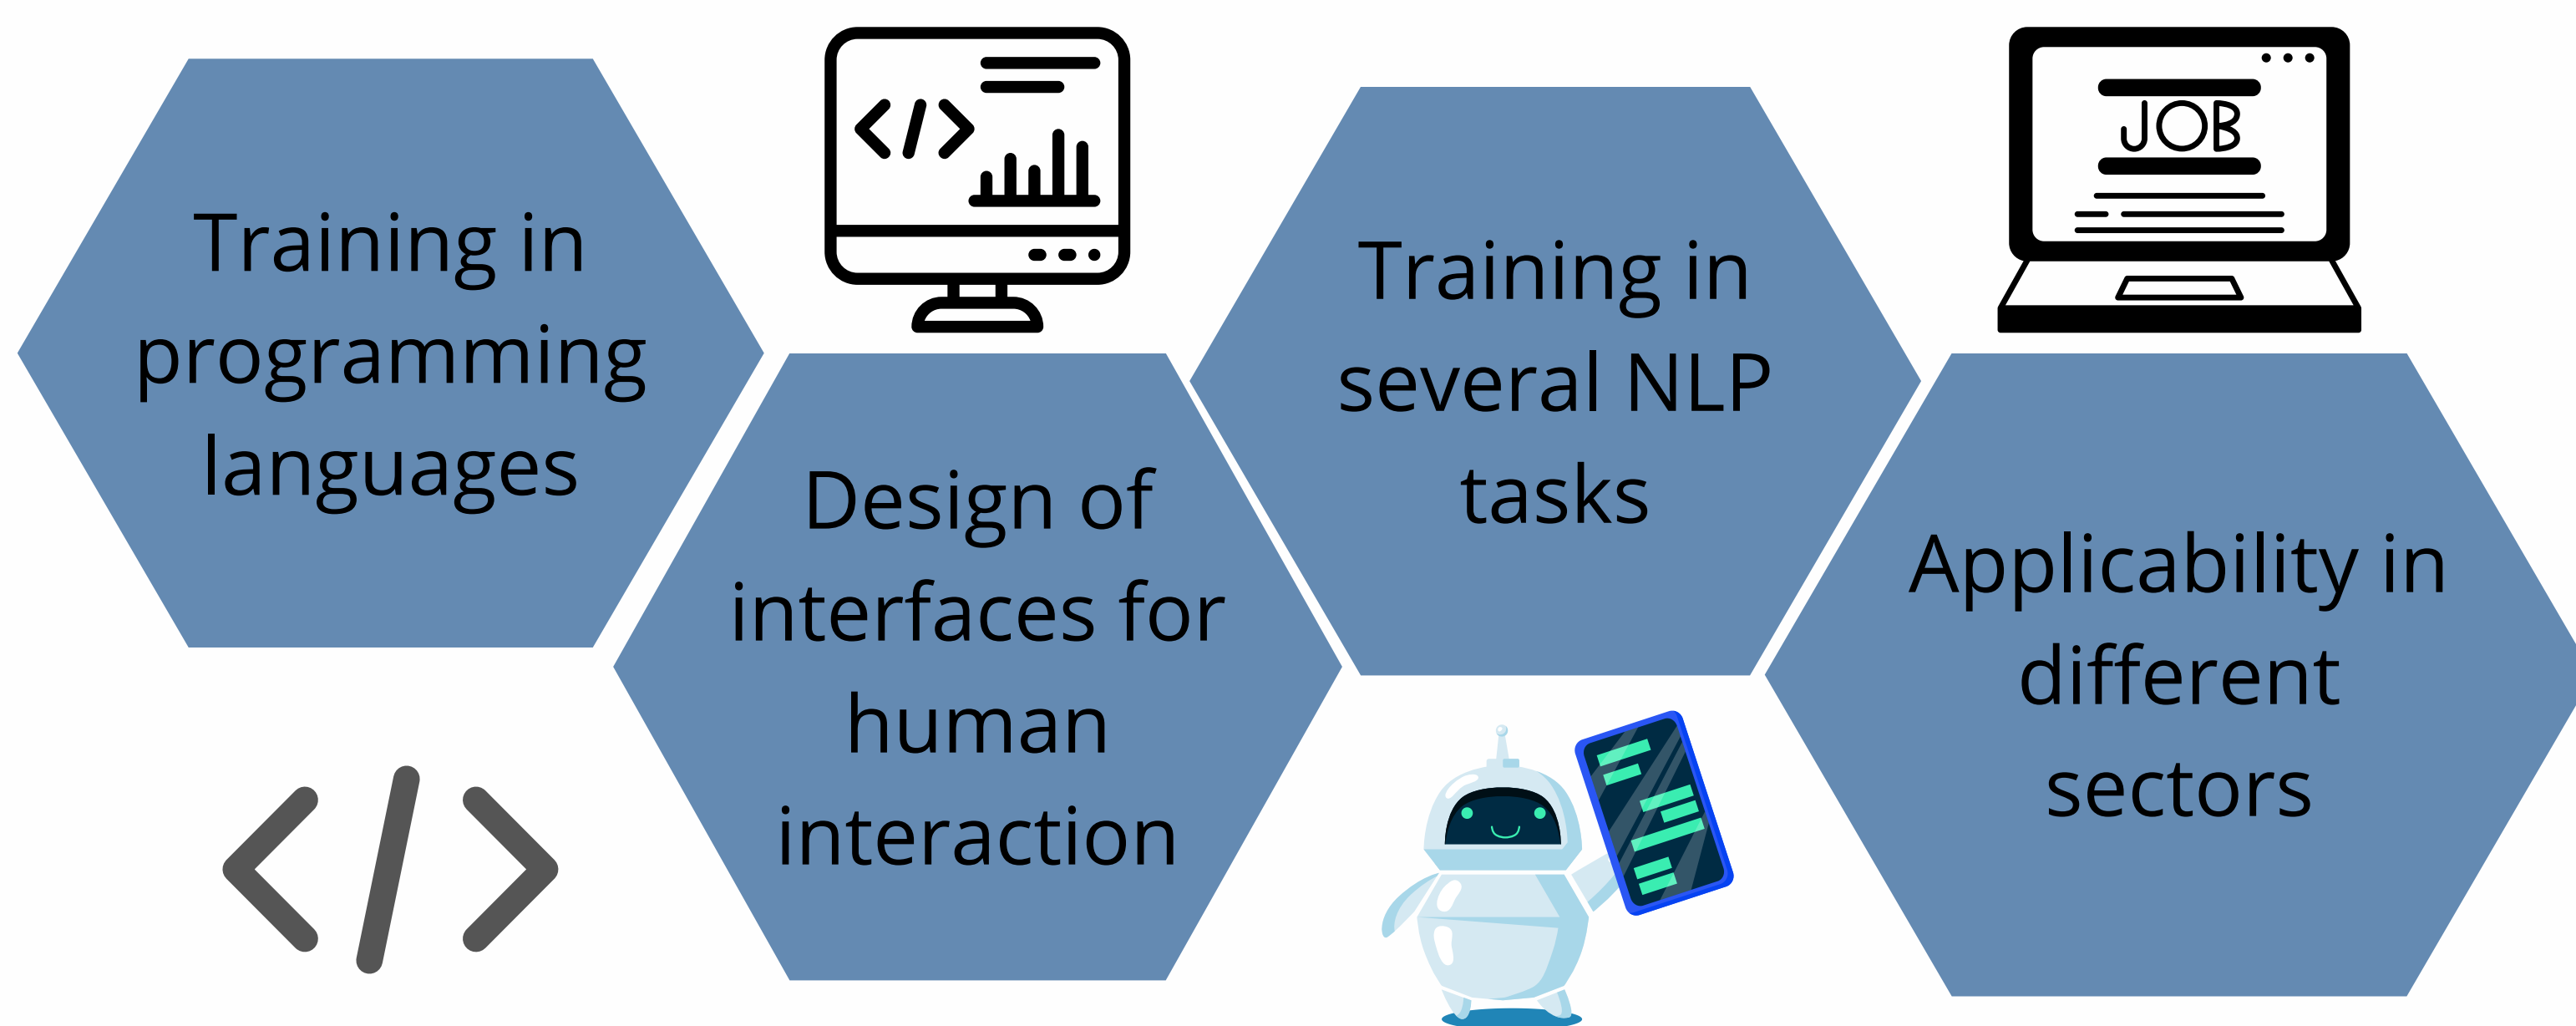

Erasmus Mundus Scholarships, Cultural and Social programmes. You will be able to participate in all these activities.

International

Human and scientific networking worldwide. You will study at least one semester away from their home university.
