**The ILENIA Network**  
Includes four regional initiatives:  

- ILENIA-AINA for Catalan
- ILENIA-NÓS for Galician
- ILENIA-GAITU for Basque
- ILENIA-VIVES for Valencian

### Data Management

- **60,000+ Parallel Sentence Corpus**  
*Four Languages Aligned for Optimal Training*
- **Catalan Multi-Accent Corpus**  
*Diverse accents captured from Parliamentary Sessions & YouTube Shows*
- **Galician Media Corpus**  
*Sourced from TV, Radio & Podcasts for Authentic Language Use*
- **Galician Text Corpus**  
*High-quality text for Read Speech Applications*
- **Galician TTS Corpus**  
*Single-Speaker Database for TTS Modeling*
- **700+ Hours of Basque Audio Corpus**

### Speech Models

- **Multilingual TTS Model**  
*Supports TTS across Four Languages with Multiple Voices*
- **Catalan Multi-Dialect ASR Model**  
*Tailored for Varied Catalan Accents*
- **Basque ASR Model**  
*Optimized for Basque Language Recognition*
- **Bilingual Basque-Spanish ASR Model**  
*Seamless Recognition Across Basque and Spanish*
- **Single-Speaker Basque TTS Models**  
*High-Quality Speech Synthesis for Basque*

### Model Evaluation

- **Creation of Innovative Multilingual Benchmarks & Datasets**  
*Empowering Precise Evaluation and Advancement in Speech Model Performance Across Multiple Languages*

- **Catalan and Galician Integration:** into the AhoMyTTS Speech Synthesizer and web portal, enhancing support for individuals with speech impairments (currently available in Basque and Spanish)
- **Open Voice OS Localization:** Adapting the Open Voice OS smart assistant to support all official languages of Spain, fostering inclusivity across digital interactions.

### A common project, a shared Iberian vision

- **Boost the Language-Centric AI Sector**  
*Elevating Spain's Competitiveness Positioning Spain as a European and global leader in language-focused AI innovation*
- **Facilitate AI Integration for Spanish Official Languages Accessible to All Businesses**  
*Making AI profitable and appealing for companies of all sizes—from global multinationals to local SMEs*
- **Empower Spanish Society in the Digital World Equal Language Access**  
*Ensuring that every Spanish citizen can navigate and interact in any official language on par with leading world languages*
